

PUPIL PREMIUM INTERVENTION STRATEGY 2015 to 2016

Pupil Premium Intervention Strategy	Description	Who	What is its purpose?	How long?	Cost	What was the impact?
Raising Attendance	We have placed more resource with Attendance. Our PP % Attendance is below that of non-PP. We have increased the number of days worked by our internal EWO officer.	PP students with low attendance	Raise standards	Continuous	£5000	Attendance of PP increased.
English/ Maths intervention	Targeted after school intervention in English and Maths	Underachieving students and PP students.	Raise standards	Until students are working at their target grades.	£5000	Progress for students with Pupil Premium funding is 0.64 compared with a national average of 0.12
Breakfast Club	Free Breakfast for vulnerable students, who often are late or attendance need improving	PP/vulnerable students	To ensure all students are work ready/ improve punctuality/ attendance	Ongoing	£6000	Improved attendance/ reduction of lateness to school
PIXL	We are members of PIXL, this provides strategies to raise attainment to all students	All students	Raise standards across the College	Continues Staff CPD	£12000	Progress for students with Pupil Premium funding is 0.64 compared with a national average of 0.12

Full Time Councillor	Providing deep support to Vulnerable students	Vulnerable/PP students	Remove barriers to learning.	Normally a six week programme, if more support is require time is extended	£25000	Happier students attendance better/ higher attainment
Removal of Learning barriers	Buying revision guides/ school equipment/ school trips ect	PP students	Allow students to access all areas of the curriculum fully.	Ongoing	£10000	Improved academic attainment
Nurture Teacher	Small group intervention on Literacy and Numeracy	PP students and students on L3 or below from KS2	Allow students to access normal curriculum.	Embedded in the KS3 curriculum. Timetabled lessons	£20000	Improved outcomes at KS3 for PP and SEN students.
