Our Mission at St Paul's

Service to each other: learning to become a self-disciplined leader

Teaching that inspires me, that challenges me, that gives me a lifelong love of learning

Partnership at the heart of our school: a partnership between school, home and community

Achievement: learn and achieve beyond my expectations within an internationally-enriched curriculum, using world-class technology, with people who care

Understanding of me as an individual: staff who know me by name and help make my experience of school rich and happy

Love and respect experienced through our vibrant Catholic Christian community

Success: academically, spiritually, morally, socially and beyond the classroom

'Learn to Serve'

St Paul's is a community of faith echoing St Paul's letter to Timothy where, as hallmarks of Christian living Paul stresses "love... service and doing the best that is possible."

FREEDOM OF INFORMATION ACT 2000

**This is St Paul's Catholic College Policy
on information available under the Freedom of Information Act 2000**

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school was founded by and is part of the Catholic Church. It exists to promote and to be a witness to the Catholic Faith. It assists Catholic parents to bring up their children in the ways of that Faith and does so by promoting gospel values and:

- the search for excellence,
- the uniqueness of the individual,
- the education of the whole person,
- the education of all, and
- moral principles.

and this publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus – information published in the school prospectus.

Governors' Documents – information published in the Governors Annual Report and in other governing body documents.

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school - information about policies that relate to the school in general.

4. How to request information
