

Covid-19 Update & Safety Measures

Dear Parents/Carers,

We hope you and your family are staying well in this difficult and challenging times. As the world slowly returns to normality from Covid-19, we at School Bells would like to play our part in ensuring uniform is readily available for all pupils starting in September 2020.

Due to the current uncertain times and for the safety and wellbeing of all our customers and staff, we are making some operational changes to our business and as a consequence we will not be operating our retail shop as usual for the foreseeable future.

As a result our store is now closed for any walk-in customers and we encourage you to purchase your school uniform by one of the options listed below. These changes will come into effect from 1st June 2020:

- 1) **Buy Online:** We request all parents/carers to order their uniform through our website www.schoolbellsuniforms.co.uk. For customers who are new to us and buying their child's uniform for the first time, you will find our size guide in the description section of each item.
- 2) **Free Click & Collect:** Order your uniform online or via phone and collect from the store for free. Please note all click and collect payments will have to be made prior to collection. Social distancing should be maintained during collection.
- 3) **Appointment Service:** Book our new online appointment service only if you are unable to order online or are unsure of the sizes. Details of the booking policy and safety measures is mentioned on our website. Appointment service will only be available for a limited time from 1st June to 20th August 2020.
- 4) **Exchange & Returns:** Any uniform that does not fit your child, kindly pack the item and keep aside for a minimum of 48 hours before returning to the store. For your convenience we have extended our returns policy from 14 days to 60 days. Please remember to keep the receipt and do not remove tags for an exchange/refund or your sale would not be valid.
- 5) **Plan & Buy Early:** Please do not delay in purchasing your uniform. We are expecting to be extremely busy with online orders this year and therefore would request all our customers to buy in advance to avoid any out of stock situation.

We understand right now for a lot of our customers school uniform is probably not a priority, but please support us to help you and consider ordering your uniform earlier. We would like to thank all our customers for their patience and understanding during these unprecedented times. When the time is right, we look forward to welcoming you back into our stores.

Stay safe and take care of yourselves, your families and your community.
From all at School Bells.
